CAPE COD CENTRAL RAILROAD

Where: Massachusetts

Though this narrow stretch of land is primarily known as a summer destination, the Cape is also a perfect place to spend a leisurely fall day enjoying the stunning scenery. Beginning in Hyannis, the [Cape Cod Central Railroad](#) takes guests through the Cape's woodlands, sand dunes, salt marshes, and cranberry bogs, as well as past the Cape Cod Canal. Riders can opt for a lunch, dinner, or Sunday "Yankee Clipper Brunch" train, or get into the holiday spirit with the [Train to Christmas Town](#), embarking on a special holiday route beginning November 28.
